

*BMO – Bank of Montreal Student Loan Program*

## Interior Heavy Equipment Operator School Ltd.

In attending Interior Heavy Equipment Operator School, you may need financial assistance to cover educational expenses during your training. BMO - Bank of Montreal has a Student Line of Credit program designed specifically to help.

A guide to help both yourself and BMO quickly process your request, see below.

For you (the student) A full credit application must be completed by Bank of Montreal.

As a student, bearing the full cost of the program while simultaneously meeting financial obligations is often not possible. Therefore, in almost all cases, a qualified co-signor will be required, they will need to provide their financial information for a credit application.

To apply for our Student Line of Credit, there are two good options.

Visit any local BMO – Bank of Montreal branch in your area and a personal banker will take your application directly.

Place your application over the phone at our toll-free lending centre (1-800-665-9665), for your convenience you can call anytime, day or night.

Thank you for your consideration,

Justin Viejou  
Personal Banker
